Nottingham Sea Cadets, Waterside Way, Nottingham, NG2 4DP

From Nottingham City Centre follow the signs to Southwell or to Nottingham Racecourse, which will take you onto the A612. You will pass a KFC, then an Aldi. Go straight on at the roundabout and past the Virgin Media Building. At the next roundabout (Nottingham Racecourse Roundabout - there are statues of horses on this roundabout), turn right onto Racecourse Road. Take the first road on the right onto Waterside Way (there are large logs on both sides at the entrance to this road). The Sea Cadets entrance is the green gate on the left hand side (there is an anchor at the entrance that says "T S Orion" on it).
